# PONY PARTIES

# COME AND HAVE A PONY PARTY WITH YOUR FRIENDS AND OUR PONIES.

We have two options available for the party depending on numbers:

**OPTION 1- Gymkhana.** If you have a minimum of 6 riders we provide a gymkhana—races on ponies. We start with up to 30 minutes of grooming to meet the ponies and then the gymkhana lasts for 30 minutes.

Two ponies are provided. Cost £18 per child

**OPTION 2– Ride out.** If you have up to 6 riders we can provide a 30 minute grooming session with the ponies followed by a 30 minute ride around our field. Each rider has a pony for this option. Cost £28 per child

## PARTY FOOD AND ROOMS

**Riding Centre** - We can provide a party room for the children to eat in at the Riding Centre. This is available from when the party starts until 45 mins after the riding. Cost per party £15. We can even provide the food if required as we can order picnic boxes to be delivered to the Riding Centre from the Playbarn.

Picnic Boxes are £5 per child, choices as a Playbarn Picnic party.

**Playbarn** - If the children are all under 8 you can combine a Picnic Party at the Playbarn, the price includes entry for one child and one adult plus a picnic box and reserved table, the cost for this is £8 per child. If you would like more children to join the party at the Playbarn but haven't ridden this can be arranged and the cost for this is £12.50 per child. The Playbarn can even provide food for the adults and party bags. The Playbarn is open until 5pm on Sundays and school holidays so you can stay till closing!

Parties can be organised Saturdays, Sundays and school holidays. Our pony parties are suitable for ages 4yrs upwards and all abilities are catered for as the ponies are led at all times and are very quiet and experienced.

In the case of bad weather we will use the simulator and spend some time grooming the ponies. This normally only applies to winter parties. If this happens or you would rather have a stable management party we will refund £8 per child.
